TRACK: OPEN INNOVATION

++++++

PROBLEM STATEMENT

Many students struggle with setting and achieving their goals, often lacking accountability and motivation. Additionally, there's a lack of platforms specifically designed to support goal setting and tracking among students in a collaborative manner.

SYNCRO

Platform specifically designed for students to set and track their goals, while collaborating with their peers.

01 COLLABORATIONS

Connect and collaborate with their peers to set group goals and track progress collectively.

03 GAMIFICATION

Engage in friendly competition through leaderboards and gamification elements.

02 PERSONAL

Set personal goals for various aspects of their lives

04 PEER SUPPORT

Receive support and encouragement from peers to stay motivated and accountable

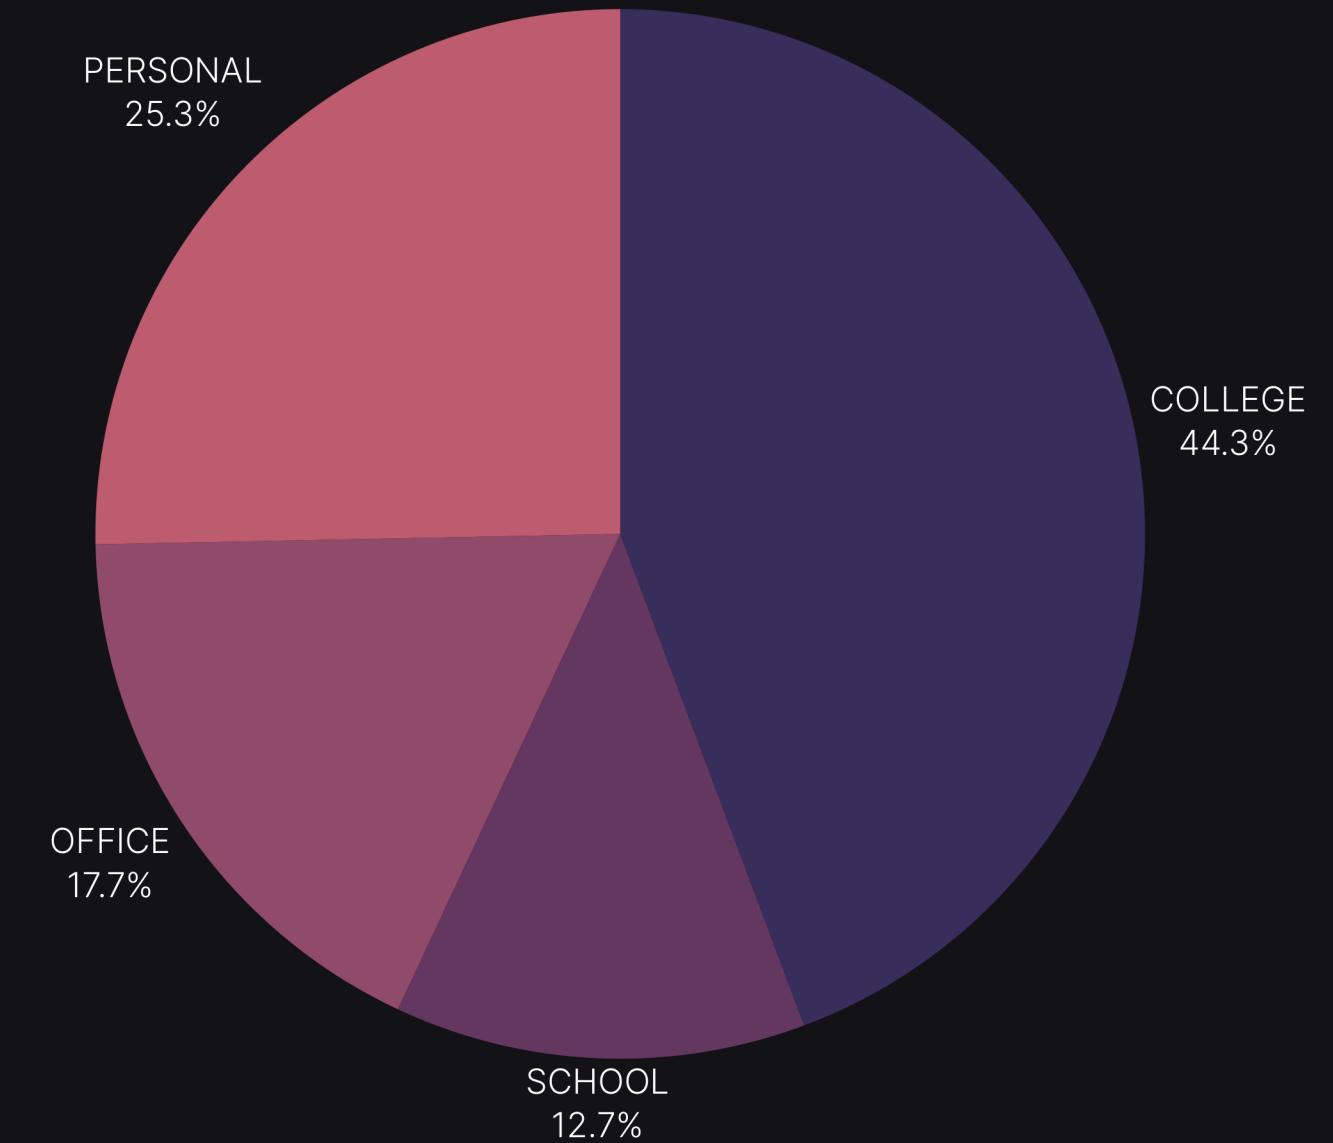

SOLUTION OVERVIEW

OUR TARGET AUDIENCE:

- Our primary target audience are **students** in educational institutions
- **individuals** looking to set and achieve goals in a collaborative environment

KEY FEATURES:

02 GROUP GOALS:

Collaborate with friends to set shared objectives.

01 GOAL SETTING

Customize personal goals with dates, milestones, and categories.

03 PROGRESS TRACKING

Monitor individual or group progress with metrics and visuals.

KEY FEATURES:

05 GAMIFICATION

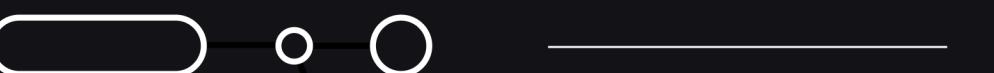

Earn badges, achievements, and rewards for goal completion.

04 SOCIAL INTERACTION:

Engage with peers through comments, likes, and messages.

06 LEADERBOARDS

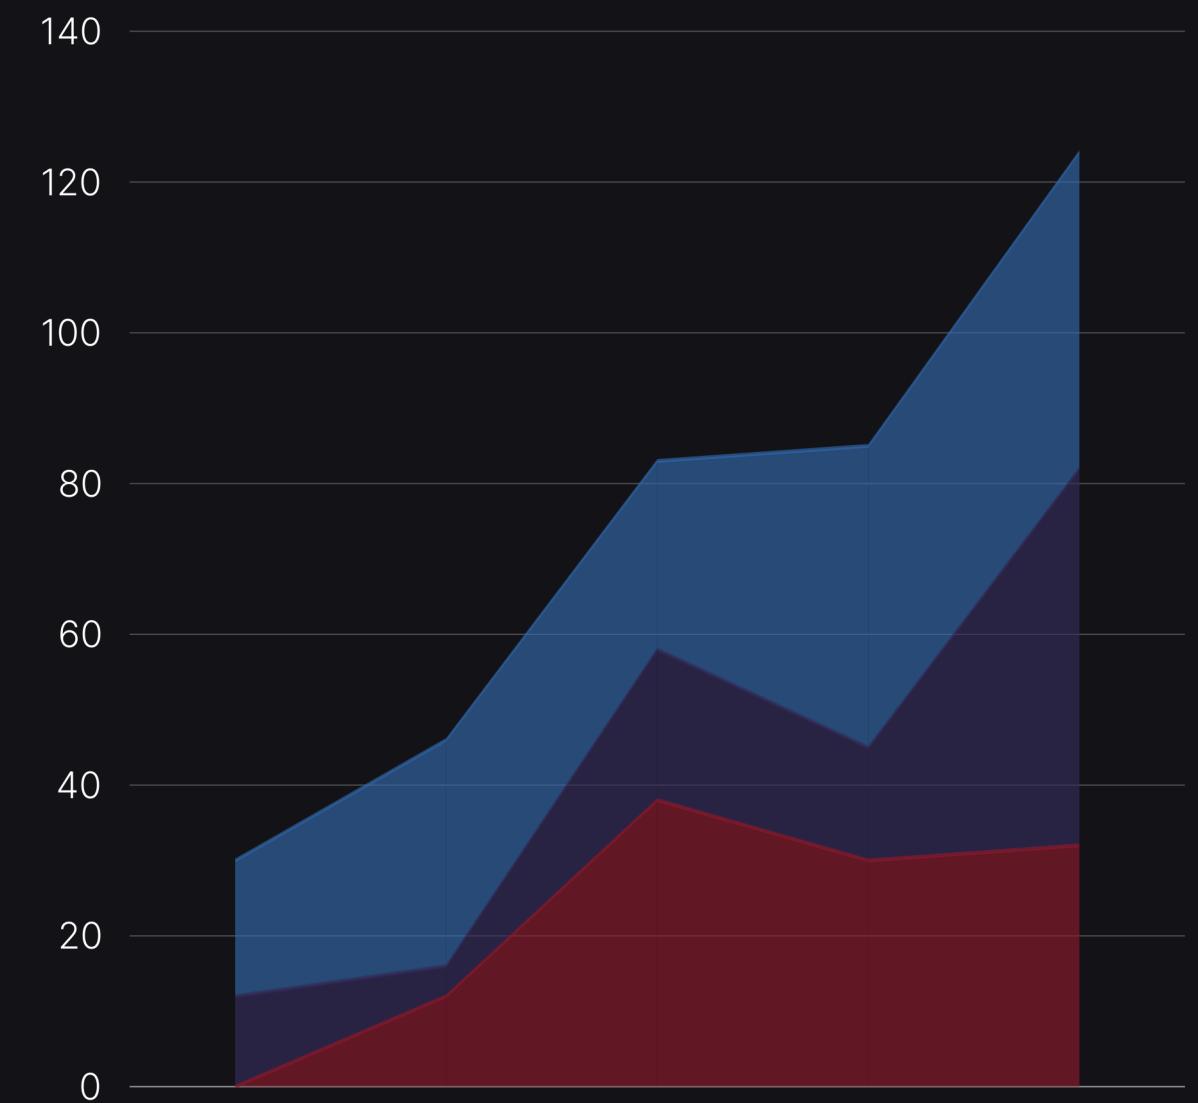

Recognize achievements through competitive rankings

TRACKERS & LEADERBOARDS

Tracking and ranking the progress
of collaborators and the community

STAYING ACCOUNTABLE

2 OUT OF 6

GET POINTS AFTER
COMPLETION OF TASKS

5 OUT OF 6

PEERS GIVING
CONSTRUCTIVE CRITICISM

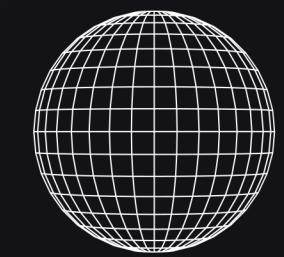

BENEFITS

- Empowers students to take control of their goals and aspirations.
- Fosters a sense of community and support among peers.
- Promotes accountability and motivation through friendly competition.
